

2006 State Bar Appointments Workshops

Presented by The Center for Access and Fairness and the Ethnic Minority Relations Committee

The State Bar of California offers attorneys in California an opportunity to contribute to the legal profession and the public by volunteering to serve on one of the State Bar's committees. Each year, the Board of Governors appoints approximately **150 – 200** new members and strives to make appointments that will achieve diversity and broad representation*. Learn more about State Bar entities and the application process at this workshop.
